# Mothers Informing Mothers

**Are you pregnant or do you have a baby or small child? Would you like to connect with other moms in your area? At MIM you can share your experiences with another mother. Our volunteers are happy to meet you.**

## **Important**

It does not matter what language you speak. Our volunteers come from countries all over the world. We also have whatsapp groups in more than 20 languages.

## **Meeting other mothers**

At MIM there are several ways for you to meet other moms:

### **1. A visit from an experienced mother**

Would you like to talk to an experienced mother? One of our volunteers will visit you once a month.

### **2. Participating in a meetinggroup**

During our mom meetups you can talk to other parents. Meanwhile the children can play with each other.

### **3. Participating in a whatsapp group**

You can also share experiences in a whatsapp group in your native language.
